Bible skills & the Second Testament

God Gives Us the Good News About Jesus

1. We learned in the video that “Gospels” means “Good News.” Share something from your day that was/is good news.
2. Who were the Gospel writers in the video? (Matthew, Mark, Luke and John)
3. Read in a story Bible such as the *Spark Story Bible* or from a Bible of your choosing in one of the Gospels in Matthew 26:31-75; Mark 14:26-72; and/or Luke 22:32-71. Readers can practice finding the scripture in their Bibles.
4. The story of the Last Supper is one of many stories in the New Testament, or as we sometimes call it, the Second Testament, which teaches us the Good News about Jesus.
5. Ask: Why would telling people about Jesus be good news? (You can help your young child think about Jesus as Good News because he shows us how much God loves us.) What did Jesus do at the Last Supper? (He broke bread and poured the cup and said “Do this in remembrance of me.”) What are we supposed to remember at communion? (The bread and cup remind us of God’s love, Jesus’ body and blood.)

Prayer: Dear God, thank you for this special family meal and the special church family meal you gave us to remember you. Help us to share your Good News with our friends and family. Amen.
