Clearly label your child's bag and personal items **BEFORE** you drop off your child. You will be assigned a beeper unless you prefer us to use your cell phone number. Sign your child in and write down your beeper number before leaving for worship. When you pick up your child, return your beeper and sign your child out at the door. The caregivers will make notes on the sign in sheet regarding the care of your child i.e. whether or not he/she had a bottle, was changed, etc.
