

First Presbyterian Church Youth Ministries Scholarship Application

All events at First Presbyterian Church are designed to be inclusive. There are occasions when an event comes with a significant cost and financial assistance can be helpful. We believe that a family's budget should never be an obstacle to a student's full participation. We do not have a scholarship "fund" to draw from, we support students based on available funds in our budget and from willing sponsors in the congregation. The amount of support we are able to give is based on the number of scholarship requests received and the cost of an event.

Who is eligible to receive a scholarship?

- Youth who are "active" (have been attending Sunday meetings the past 3 months) at FPCB.
- If necessary, priority is given to youth who are members of the church or whose parents are members.
- Any youth requiring financial assistance to attend an event.

Criteria for awarding scholarships:

- Scholarships are awarded on the basis of need and the current level of participation of the applicant in the youth ministry and the life of the church.
- Application does not guarantee receiving assistance for the amount requested. In some cases a personal financial commitment of at least 30% of the total cost may be required.
- The request must be made at least 2 weeks before the event.
- Parents must also grant permission for participation to endorse financial support from the Youth Ministries committee.
