

Everybody's Church

Why support First Presbyterian Church?

Because you can help the love of God bubble up at Everybody's Church.

When Jesus was asked about the greatest commandment, he said it was loving God. Responding to Jesus' words, we at Everybody's Church strive to ensure that our love for God continues bubbling up with each passing week.

The love of God bubbles up in weekly worship during which we learn about God's love and are provided with an opportunity to return that love. Through the preaching of the Word, the administration of the sacraments, and spirit lifting music we may attune our hearts to loving God.

The love of God bubbles up in Christian formation for children, youth, and adults so that they may comprehend the love of God more fully and thus return God's love in kind.

The love of God bubbles up in our All Abilities Inclusion Ministry that assists our children, youth, and adults with disabilities to experience the love of God so that they may expand their love of God.

This bubbling up of the love of God is made possible by your prayers, presence, participation, and pledges.

Unfortunately, over the past two years, several of our major givers have died or moved. This has made balancing our budget difficult. If we are to continue to help the love of God bubble up at Everybody's Church, and live within our means, we need to increase our overall income by five percent in 2023. So, we are asking...

Those of you who have never made a pledge commitment to the church to prayerfully consider so doing for 2023.

Those of you who are pledgers and regular givers to consider increasing your giving for 2023 by five percent to help the church support our amazing staff and cover our inflation driven increased facilities costs.

We know that we are living in a time of economic difficulty and uncertainty, but the one thing we can know for certain is that God's love for us is real and that the bubbling up of that love at Everybody's Church makes a positive difference in our lives and in the world.

Pledge Sunday is November 13th

May Love of God continue bubbling up in you always...Your Stewardship Team
