

The First Presbyterian Church of Birmingham, MI

Everybody's Church

Why support First Presbyterian Church?

Because you can help ensure that the bubbling up of the love of God and neighbor continues for many years to come at Everybody's Church.

As Everybody's Church, we have a unique calling in this world. We are called to be a place in which all persons can not only come and be welcomed, but can be embraced and uplifted by God's love. We are an oasis of love in a fractured world. Through our preaching, teaching, mission work, and intentional inclusion efforts, we strive to live into our calling to keep the bubbling up of the love of God and neighbor alive and well so we might be a place of hope for all.

We are living into our unique calling in a time of transition. This coming year we will be welcoming a new senior pastor and getting to know new staff members. Our goal is to ensure that these new leaders begin their ministry on a firm financial footing, confident that they have the support of our church community as they help the love of God and neighbor continue bubbling up for many years ahead.

To make this firm financial footing a reality we need to increase our income for 2023 by five percent. Such an increase will allow us to support our amazing staff, ensure that our facilities are well kept, and support our missions here and abroad.

To that end we ask...

Those of you who have never made a pledge commitment to the church to prayerfully consider so doing for 2023.

Those of you who are pledgers and regular givers to consider increasing your giving for 2023 by five percent to help the church support our amazing staff and cover our inflation driven increased facilities costs.

We know that we are living in a time of economic difficulty and uncertainty, but the one thing we can know for certain is that God's love for us is real and that the bubbling up of that love of God and neighbors at Everybody's Church changes lives and changes the world.

Pledge Sunday is November 13th

May Love of God continue bubbling up in you always... Your Stewardship Team
